Doug:

Thank you.

Mike Wolfert with Arcadis asked me about minutes from that meeting. Are you okay with me forwarding the minutes to Mike?

Thanks  
Jason

Bob and Mike

I've attached the draft meeting notes from our 12/14/16 NWIRP-Northrop Grumman meeting.

I understand that you and Walter may have spoken about Grumman during the Gowanus meeting you had on Monday, but I have not had a chance to speak with him about the Grumman discussion. Walter likely mentioned that it looks as though he will be acting for Catherine as Deputy Regional Administrator and in that role would attend future coordination meetings. When I spoke with Walter last Friday he had suggested that we might want to have a call with

you and Martin on Grumman at the beginning of the New Year. So, he may be reaching out to Martin and you about setting up a call.

I'll talk with you guys next year.

Merry Christmas to you and your families.

Doug
